

# One Eternal Round: My Testimony

*By Jesus Christ*

In the beginning, I was with the Father. By His word, and through Me, all things were made. I am the Light and Life of the world, the Firstborn of all creation. I walked with Adam in the garden, I spoke to Noah before the flood, and I made a covenant with Abraham that through his seed all the nations of the earth would be blessed.

Through Moses, I gave Israel my law, teaching them holiness, justice, and mercy. The prophets bore witness of Me—Isaiah, Jeremiah, and many others. They saw My day, and they rejoiced. They knew I would come in the meridian of time to fulfill all righteousness, to redeem My people from sin and death.

When I came to dwell among you, I was born in Bethlehem, laid in a manger, and raised in Nazareth. I taught the multitudes, healed the sick, raised the dead, and forgave sins. I suffered temptation, yet I sinned not. I revealed the nature of the Father—compassionate, just, and full of grace.

Then came My hour. I took upon Myself the sins, sorrows, and sicknesses of the world in Gethsemane. I was betrayed, scourged, and crucified. On the cross, I forgave. I died, and on the third day, I rose again. Death could not hold Me. I am the Resurrection and the Life.

After My resurrection, I visited My disciples, showing them My hands and My side. I commissioned them to teach all nations, and I ascended to My Father. But My work was not finished.

I remembered My other sheep, those in the ancient Americas. I descended to them, and they felt the wounds in My hands and feet and side. They fell at My feet and worshiped Me. I taught them My gospel in purity, with power and clarity. I established My Church among them, just as I had in Jerusalem. They kept My commandments and lived in peace for generations.

The record of their faith and My teachings among them was preserved in the Book of Mormon—a second witness that I am the Christ, the Son of the living God. It stands with the Bible as a testimony to the world that I live, that I speak, and that I will come again.

My voice has not been silenced. I continue to call prophets, I continue to reveal My will. I restored My gospel in these last days to prepare the world for My return. My arms are stretched out still. I invite all to come unto Me—Jew and Gentile, bond and free, male and female. My grace is sufficient.

I am Alpha and Omega, the beginning and the end. I am the same yesterday, today, and forever. My work is to bring to pass the immortality and eternal life of man.

I leave My peace with you. Come, follow Me.
